<sup>&</sup>lt;sup>1</sup> The fees listed are only estimates but will only increase if your case is complex or requires much more time than usual. As always, we will never bill you for work that is not discussed and agreed with you. Please contact our office for a price quote for your specific needs. Also, based on financial need, some fees may be lowered to accommodate low-income households. Finally, these fees do not include any filing fees imposed by the government and/or any other agency or court appearances. Note consultation fees are \$250 if held on the telephone and \$295 if in person.

<sup>&</sup>lt;sup>2</sup> Fees do not include filing fees which are imposed by the U.S. government.

<sup>&</sup>lt;sup>3</sup> Court or Asylum office appearances are not included in this amount.

<sup>&</sup>lt;sup>4</sup> A standard contract is usually 2 or 3 pages in length. We will communicate whether the contract you need is simple or complex at your initial consultation.

<sup>&</sup>lt;sup>5</sup> All Wills except the do it yourself Wills include Will execution. We will provide the notary and two witnesses for an extra fee. No additional fee applies if you provide your own witnesses.

<sup>&</sup>lt;sup>6</sup> Most Wills fall under this category.

<sup>&</sup>lt;sup>7</sup> In order to obtain this discount, the provisions in the Wills cannot vary significantly.

<sup>&</sup>lt;sup>8</sup> A standard Will template will be offered for you to complete. Once done, we will review the template and offer our verbal recommendations. Will execution is not included in this price.

<sup>&</sup>lt;sup>9</sup> A Will Kit is provided which includes a standard template and a Will drafting guide. Review and execution is not included.

<sup>&</sup>lt;sup>10</sup> Trusts are typically highly individualized products. In some cases a flat fee will be offered. In other cases, the hourly rate will apply.
